## Potentate's Message

As we enter the fall season please take note of the announcements elsewhere in this newsletter for the many events scheduled. This year has been moving very quickly! We have visited many Clubs and Units and will continue to do so throughout the remainder of the year. Traveling around the realm and NYOSA, meeting and interacting with fellow Nobles and their Ladies, has been a great experience. We look forward to you visiting the Shrine Center for one or more of the upcoming events! There is Value For Membership in Cyprus!

The Potentate's Reception scheduled at the Hilton Albany on October 13, 2018 promises to be great time. It will be a Rat Pack theme so channel your inner Sinatra, Dean Martin, Sammy Davis Jr, Joey Bishop or Angie Dickinson. You know who you are. We have a special guest in the form of a Shriner's Hospitals National Patient Ambassador Isabella Rose! For those of you that are unfamiliar, Isabella is a Cleft Lip and Palate patient who went from having trouble speaking to being able to sing! She and her mom will tell her story and Isabella will sing a couple of songs for us. Speaking of music, we will be having a DJ and Photo booth for the evening. Chief Rabban Bob Baker is seeing to all the details both great and small so you know it will be a fun time! I hear great things about the Hospitality Room! I urge our Nobles and Ladies to come out and join us. Mingle with your fellow Nobles and Ladies from around realms of Cyprus and NYOSA. This event only happens once a year and should be likened to a gathering of the Clans.

Another event near and dear to my heart will be the "Roast the Potentate Night" on November 11, 2018. This will be done in the style of the Dean Martin Roasts. We are in the process of filling out the dais. There are plenty of Foster Brooks' and not enough Don Rickles! Ha ha! It will be a fun way to look back over 2018 and look forward onto 2019. At my own expense I might add! We will have professional comedian Steve Van Zandt MC the evening and warm up the crowd with a 20 minute routine to get everyone in the mood and get the ball rolling. The event will be open to Nobles, Ladies and guests.

I can not forget to mention Cyprus' First Lady Karene's Ladies Luncheon and Fundraiser on Sunday September 23, 2018 from 1:00 to 3:00pm at the Shrine Center. It is a Paint and Sip with Sarah Khoury at a cost of \$15 per person \$10 of which goes towards a raffle ticket to win a Sarah Khoury original! There will be 2 winners to be drawn at the 2019 Installation on January 12, 2019 where a check will be presented for the Cleft Lip and Palate Project of Shriners Hospitals Springfield. There will be Raffle tickets being sold for \$10 each for the remainder of the year. The Camel Club Lounge will be open for the Nobles to do manly things while the Ladies paint and sip in the Dining Room. Let's call it Pizza and a wee nip.

Membership. We had an interesting discussion the other night about membership with a lot of great ideas being tossed around. One suggestion was to take a few minutes and look through the Contact List on your Smart phone and write down the names of all the men that you think would make good Nobles. Enter their information into the IAMRU Program and it will take care of the rest. Another idea is to remember that every meeting is a Membership Meeting! Be prepared and always carry a Pocket Petition. We have plenty available at the Shrine Center. This last idea which is probably the most simple and would double our numbers in one year! Every Noble sponsor ONE Noble this year!

Nobles and Ladies, thank you for all you continue to do in support of Cyprus and Shriners Hospitals! Your support from writing a check for dues, being active in a Club or Unit, participating in an event to speaking with family, friends and coworkers about what we do and how much fun we have doing it are all so important to keep this thing of ours alive and well.

Yours in the Faith,

Illustrious David M. Unser, Sr.

### Chief Rabban's Musings

My fellow Nobles of Cyprus Shrine,

Wow. I can't believe 2/3 of the Shrine year is behind us. It's been a great year so far filled with lots of fun and fellowship. The Clubs and Units meetings/events have been fantastic. Make sure you thank your Club/Unit Officers for the time and effort they put in to make your Shrine experience one to remember.

We have been travelling around the Realm, in NYOSA and Imperial. You can rest assured knowing that Cyprus is actively represented at all of these events and meetings. I have to say, that the more I travel, the more fun I have. I have met people from all over North America and the world, even. Each and every encounter has increased my view of the value that I get from being a Shriner.

With all of the fun that we have, we do it for our kids and our Hospitals. With that said, I would like to thank some of the unsung Heroes of Cyprus Shriners. Our Shepherds and Board Members and our Walking Man, Eric Morabito.

The time the Shepherds give to transport our kids to appointments at our Hospitals is nothing short of inspirational. Sometime they have to leave at 2:00 in the morning to get one of our kids to Philadelphia for surgery that day. That's dedication to our patients!

Our Board members travel to our Hospitals for meeting throughout each month. These aren't perfunctory get togethers, rather they are corporate Hospital Board meetings. They layout the path that our Hospitals take to move forward. Making a lot of tough decisions along the way to make sure that our dollars are spent wisely in service to our kids.

Eric had an insane thought a couple of years ago to walk from his Lodge in Highland to the Springfield Hospital to raise money and awareness for our mission. Well fast forward and this year he raised \$11,000 for our Hospitals on a walk to Boston from Highland. Read more about Eric's adventure on Page 13.

So I would like to personally and on behalf of Cyprus Shrine, extend our deepest thanks for the selfless acts of our Shepherds, Board Members and Eric for keeping the promise of Shriner's Hospitals for Children alive and well.

The next time you see one of our Drivers, Board Members or Eric, say Thank You. They deserve it.

See you at the Shrine.

Bob Baker, Chief Rabban

# Springfield Hospital News

## Motion Analysis Center Helps Customize Care

The Motion Analysis Center (MAC) located at Shriners Hospitals for Children — Springfield offers state-of-the-art technology for the analysis of complex movement problems. It is one of only two such centers in New England focused on optimizing the clinical care of children and adolescents with orthopaedic and neuromuscular conditions such as cerebral palsy, spina bifida, clubfoot, amputations and scoliosis. The MAC at the Springfield Shriners Hospital has been in operation since 1991. It was recently renovated to install upgraded equipment, improve mechanisms for obtaining data and allow for high-definition diagnostic review and decision-making.

### Evaluating Patients

During a typical gait assessment in the MAC, children are instructed to begin walking at various color-coded starting points on the floor and to use a natural gait. While walking, each foot steps down on new force platforms that measure how much the foot pushes against the floor to start and stop moving and change direction. Additional lines and circles on the floor assist specialists in performing the gross motor function measure, the timed up and go test and other physical tests. A 10-camera, infrared motion capture system measures the movements of reflective markers attached to the body to track the arms, trunk, pelvis, legs and feet and to compare the movements to reference values.

### Assessing the Data

Dr. Rubini Pathy, orthopaedic surgeon, and her team of physical therapists, computer specialists and engineers review graphs that summarize the information collected during gait analysis. A new review area enhances the team's ability to view and compare results over time and facilitates discussion to determine whether surgery, rehabilitation, bracing or other options are indicated to improve the patient's function.

During the review, the team considers the patient's medical history, X-rays, kinematics (joint motions), kinetics (forces on the joints) and electromyography (muscle actions) at each instant during walking. Also reviewed are clinical measures of motion, strength and tone, pedobarography (pressures under the foot) and oxygen consumption to determine the energy used while walking.

# Noble Eric Morabito Walks for Shriner's Kids

Greetings Members of Cyprus,

I am very happy to report that the 2018 Walking for Children was a huge success. There were three important factors that I am basing this on and all three were achieved:

First, the goal for this year was to raise \$10,000. When all was said and done, the total raised was \$11,000! \$5500 went to the Boston Hospital, \$2750 went to Springfield, \$500 went to Philadelphia and \$2250 went to the Cyprus Transportation Fund.

Second, to get the word out about who the Shriners are and what they do. I believe that more people heard about the walk this year than in previous years.

Third, to see if I could make it to Boston this year. Last December I was sidelined with a stroke and I didn't know if I would be able to do the walk this year. Those who know me know that I am a little stubborn and slightly compulsive so I was determined to give the walk a try.

I set out at 5 am on May 19th and after 13 hours of plodding along (42 miles), made it to the site of the Catskill Lodge in Athens where I collapsed on the concrete slab that used to be the Lodge. The next day I arrived at Cyprus and was greeted by the Potentate, who escorted me the last 1/10th of a mile, and I was welcomed by a large group of Nobles and Ladies. It had been raining all day and I was soaked to the bone. I was ushered into the bar area and was seated next to the propane stove to dry out. Later that afternoon I discovered that the soles of my shoes had melted while drying. Luckily, my time as a Scout leader taught me a few things: Do a good turn daily; Help other people at all times; and Be prepared (luckily, I had brought a back-up pair of shoes).

Eric in Springfield

I reached the Springfield Hospital the following Wednesday morning and was met by members of the hospital staff and a contingent from the Melha Shrine. They were celebrating Dunkin Donuts Iced Coffee Week and it was a real treat. On Thursday afternoon, I was near Worcester looking for a place to set up my tent for the night when I heard a woman ask me how much I wanted for my stroller. She said she'd give me cash on the spot. I had been on the road that day for about 30 miles and thought I had run into someone a little nuttier than me until I realized that it was my wife. She came a day early to surprise me and she succeeded.

I finished the walk on Saturday. I reached the Boston Hospital at noon where I was greeted by a group from the Aleppo Shrine, hospital staff and several patients, one of whom asked if she could come outside to say hello to me. It turns out that she had been severely burned and hadn't left her room since her arrival months before. Talk about being choked up when I learned about this.

To date, my walks have raised \$34,400 and my goal for next year is \$15,600 which would bring the total to \$50,000 raised. In addition to the Cyprus Transportation Fund and the hospitals in Springfield, Boston and Philadelphia, I am adding the Erie hospital to the list. I have sent letters to 41 Shrine Centers that support these 4 hospitals in the hope of getting more support. I am currently making plans for my 2019 effort. I will again be heading to Boston in the spring and I need some help. This year 26 members of Cyprus signed on as sponsors (19 were from my home Lodge) and I would like to improve on that for next year. I am asking that the members of Cyprus add a little something to their daily routine by starting a simple coin jar. All it takes is to put some change in it from time to time and then give it as your sponsorship next spring. I have been doing this each year with the money I find walking every day and have collected almost \$4800 so far, all of which has gone to help the children.

Fraternally yours,

Eric Morabito
